

## BASE INDEPENDENT PRODUCTIONS

### Rental Fees

Base Independent rentals are full-access rentals, which means no other renters will be in the space for the duration of your rental—set/props/etc. can be left overnight. Base Independents can range from one day to one month, depending on calendar availability.

Base's cancellation policy, including info on covid-related cancellations, is included in the contract.

The minimum daily fee for a performance is **\$150**. Use of any of the amenities listed below increases the daily fees. Use the chart below to determine rental costs.

Base always provides a one-hour, free orientation with our technical director to familiarize renters with the space. Any additional hours are billed at \$40/hour.

Renters are entirely responsible for hiring a house manager, as well as finding support for box office/concessions and backstage/tech. If the renter needs assistance filling these positions, they are welcome to reach out to Base at least two weeks before their show.

PRODUCTION ADD-ONS	FEES	BASE TECH SUPPORT	DEPOSIT
